ATTENTION - New requirements. Prior to award of this solicitation your business must register as a bidder at www.buyindiana.in.gov. Just click on "Register your Business to do business with the State" Please be sure to complete the Buy Indiana certification page. It is preferred that businesses register immediately so that delay of solicitation award would not occur. This registration is maintained by you and you may update your information at any time. It remains in the database and covers all solicitation responses you submit to any state agency. It is very important that it be kept current. If you do not have access to a computer, you may call 317-234-0234 for assistance with your registration.

All companies desiring to do business with state agencies must complete an "Indiana Economic Impact" form. The form asks for, among other information:

- The amount of the contract that is being allocated for payroll and benefits to Indiana residents
- The amount that is being awarded to Indiana subcontractors and suppliers
- The amount that is being subcontracted to Indiana certified minority and women owned businesses

The collection and recognition of the information collected with the Indiana Economic Impact form places a strong emphasis on the economic impact a project will have on Indiana and its residents regardless of where a business is located. The collection of this information does not restrict any company or firm from doing business with the state.
